

LOOKING FOR A PRO-LIFE SPEAKER AT YOUR MEDICAL SCHOOL IN FALL 2016?

MED Students for Life can help! We will arrange and pay for an expert **SPEAKER** for your medical school Students for Life or related group event!

The vision and purpose of Med Students for Life of America (MedSFLA) is a national network of future healthcare and medical professionals committed to developing sustainable patient health care, by advocating person-centered medicine and defending conscience rights. MedSFLA believes in rediscovering the doctor-patient relationship with care for every patient—regardless of race, developmental stage, socioeconomic status, and special needs.
